Vision: Supporting innovation in the practice of pharmacy and promoting effective medicines management

Important Notes:

- The NZHPA Executive have set aside funding to assist members with travel expenses associated with attending the Annual Conference.
- Just how much funding is available to each applicant depends on the number of applications received, Conference profit, and is subject to the approval of the NZHPA Executive. However, it is hoped that NZHPA members can be reimbursed up to 75% of their travel expenses.
- We will endeavour to notify applicants of approved funding within 10 weeks of the closing date for applications. The timeframe depends on when the Conference accounts are finalised.
- Reimbursement will be made directly into the applicant's bank account, for the specified amount, on receipt of original payment receipts ('tax invoices') for the appropriate expenses after completion of the conference event.
