

## PHARMACIST

Palmerston North Hospital  
MidCentral District Health Board  
New Zealand

**Our Reference: Vacancy ID: 4330**

*(Scope of Practice – Pharmacist)*

A full time pharmacist position exists within our Pharmacy Department at Palmerston North Hospital. This position would suit a newly qualified pharmacist.

We can offer you variety, and opportunity to grow as a pharmacist and extend your clinical experience, as well as training in aseptic compounding.

- Are you able to work in a rapidly changing environment?
- Are you a NZ registered pharmacist with current scopes of practice?
- Do you have excellent communication skills?
- Are you a positive person with a happy and helpful disposition?
- Are you a team player?

If this sounds like you then we look forward to hearing from you.
